

Daytona CUBS

America's Pastime on the World's Most Famous Beach

Dear Participants,

Thank you for your interest in the 2007 Daytona Cubs World Series of Chili. It is that time again to start thinking about the Fourth Annual World Series of Chili. The Cook-off will take place on **November 22nd at Jackie Robinson Ballpark**, with proceeds going to support the Halifax Humane Society. Your participation was a huge factor in last year's success and we hope to see you out here again.

Similar to last year, a team of local judges will be used with awards for best chili, most unique chili, and people's choice chili. Awards will also be given to the most creative chili stand. Prizes will be given out between 3:30pm and 4:30pm.

Teams are asked to provide samples beginning at 12pm. Music will start no later than 1pm and will continue for the remainder of the cook-off.

In the following pages, please find information including committee contacts, dates to remember, award details, ticket information, rules and guidelines, along with the 2008 registration form.

If you have any questions or concerns please feel free to contact me at: 386-257-3172 or by email at lauralandry@daytonacubs.com

Again thank you for your participation last year and hope to see you again in November!

Sincerely,

Laura Landry
Special Events & Group Sales Manager

The Halifax Humane Society Mission Statement

Purpose and Beliefs

The Halifax Humane Society exists to protect animals from cruel, neglectful and exploitative treatment.

It is the belief of the Society that all living creatures possess an intrinsic value, which is manifested in its creation. Further, the Society believes that mankind must become a responsible steward of animals which he has domesticated and brought under his control.

The Society shall maintain programs and services, which embrace that principle:

Maintain a shelter facility to provide for the needs of lost, forsaken and abandoned animals;

Educate and continually acquaint the citizens, particularly children, with the ethics of kindness and compassion, thereby engendering respect for all living beings;

Investigate complaints of animal abuse and correct those situations by way of education, or if need be prosecution;

Prevent the overpopulation of domestic animals by providing affordable spay and neuter opportunities to the public, while making certain that animals adopted from the Shelter never contribute to the problem.
